PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 6, 2003

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Atlantic American Corporation (the "Company") for use at the Annual Meeting of Shareholders (the "Meeting") to be held at the time and place and for the purposes specified in the accompanying Notice of Annual Meeting of Shareholders and at any postponements or adjournments thereof. When the enclosed proxy is properly executed and returned, the shares which it represents will be voted at the Meeting in accordance with the instructions thereon. In the absence of any such instructions, the shares represented thereby will be voted in favor of the election of nominees for directors listed under the caption "Election of Directors" and the ratification of the appointment of Deloitte & Touche LLP as the Company's independent accountants for 2003. Management does not know of any other business to be brought before the Meeting not described herein, but it is intended that as to such other business, a vote may be cast pursuant to the proxy in accordance with the judgment of the proxies appointed thereunder. This proxy statement and the accompanying form of proxy are first being mailed to shareholders of the Company on or about April 1, 2003.

Any shareholder who executes and delivers a proxy may revoke it at any time prior to its use by: (i) giving written notice of such revocation to the Secretary of the Company at 4370 Peachtree Road, N.E., Atlanta, Georgia 30319-3000; (ii) executing and delivering a proxy bearing a later date to the Secretary of the Company at 4370 Peachtree Road, N.E., Atlanta, Georgia 30319-3000; or (iii) attending the Meeting and voting in person.

Only holders of record of issued and outstanding shares of \$1.00 par value per share common stock of the Company ("Common Stock") as of March 20, 2003 (the "Record Date") will be entitled to notice of and to vote at the Meeting. On the Record Date, there were 21,170,645 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote.

ANNUAL REPORT

The Annual Report to Shareholders of the Company, which includes a copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2002, including financial statements, is being provided with this proxy statement.

EXPENSES OF SOLICITATION

The costs of soliciting proxies will be borne by the Company. Officers, directors and employees of the Company may solicit proxies by telephone, telegram or personal interview. No contract or arrangement exists for engaging specially-paid employees or solicitors in connection with the solicitation of proxies for the Meeting. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to their principals, and the Company will reimburse them for their expenses in so doing.

VOTE REQUIRED

A majority of the outstanding shares of Common Stock must be present in person or by proxy at the Meeting in order to have the quorum necessary to transact business. Abstentions and broker "non-votes" will be counted as present in determining whether the quorum requirement is satisfied. Directors are elected by the affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and actually voting at a meeting at which a quorum is present. In order for shareholders to approve all other matters to be presented at the Meeting, the votes cast favoring the proposal must exceed the votes cast opposing the proposal. Abstentions and non-votes will not count as votes for or against any proposal as to which there is an abstention or non-vote. A "non-vote" occurs when a nominee holding shares for a beneficial owner votes on one proposal pursuant to discretionary authority or instructions from the beneficial owner, but does not vote on another proposal because the nominee has not received instruction from the beneficial owner and does not have discretionary power.

1. ELECTION OF DIRECTORS

One of the purposes of the Meeting is to elect eleven directors to serve until the next annual meeting of the shareholders and until their successors have been elected and qualified or until their earlier resignation or removal. In the event any of the nominees should be unavailable to serve as a director, which contingency is not presently anticipated, proxies will be voted for the election of such other persons as may be designated by the present Board of Directors.

Nominees for election to the Board of Directors are considered and recommended by the Executive Committee of the Board of Directors to the shareholders. The Company has no procedure whereby nominees are solicited or accepted from shareholders.

Committees of The Board of Directors

The Board of Directors of the Company has three standing committees: the Executive Committee, the Stock Option and Compensation Committee and the Audit Committee. The Company has no official nominating committee, but the Company's Executive Committee performs the functions normally performed by a nominating committee. The Executive Committee is composed of Messrs. Robinson, Howell, Hudgins and Whaley, and its function is to act in the place and stead of the Board to the extent permitted by law on matters which require Board action between meetings of the Board of Directors. The Executive Committee of the Company met or acted by written consent ten times during 2002.

The Stock Option and Compensation Committee is composed of Messrs. Elson, Riddle, West and Whaley. The Stock Option and Compensation Committee's function is to establish the number of stock options to be granted to officers and key employees and the annual salaries and bonus amounts payable to officers of the Company. The Stock Option and Compensation Committee met or acted by written consent one time during 2002.

The Audit Committee is composed of Messrs. Elson, Riddle, West, and Wyant. The Audit Committee's functions include reviewing and discussing with the Company's independent public accountants the accountants' reports and audits, and reporting the committee's findings to the full Board. The Audit Committee held six meetings in 2002.

The Company's Audit Committee is composed of independent directors, as defined under the rules of the Nasdaq Stock Market, and information regarding the functions performed by the Audit Committee and its membership during 2002 is set forth in the "Report of the Audit Committee," included below. The Audit Committee is governed by a written charter adopted and approved by the Board of Directors.

The Board of Directors met or acted by written consent four times in 2002. Each of the directors named above attended at least 75% percent of the meetings of the Board and its committees of which he or she was a member during 2002.

Report of the Audit Committee

The Audit Committee (the "Committee") oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed with management the audited financial statements of the Company as of and for the year ended December 31, 2002, including a discussion of the accounting principles, the reasonableness of significant accounting judgments and estimates, and the clarity of disclosures in the financial statements.

The Company's independent auditors are responsible for performing an audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion thereon. In June 2002, the Committee approved the selection of Deloitte & Touche LLP as independent auditors for the year ended December 31, 2002. During the year, the Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including the items set out in Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, promulgated by the Auditing Standards Board of the American Institute of Certified Public Accountants. In addition, the Committee has discussed with the independent auditors, the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No.1, and considered the compatibility of nonaudit services provided to the Company by Deloitte & Touche LLP with the maintenance of the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for the 2002 audit. The Committee met with the independent auditors, with and without management present, to discuss the results of their audit, their considerations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held six meetings during fiscal year 2002.

In performing its functions, the Audit Committee acts only in an oversight capacity. The Committee reviews the Company's periodic reports prior to filing with the Securities and Exchange Commission and quarterly earnings announcements. In its oversight role, the Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the Company's annual financial statements as to their conformity with generally accepted accounting principles.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Report of the Stock Option and Compensation Committee on Executive Compensation

Compensation Philosophy

The Compensation Committee believes that compensation of executives should be designed to motivate those persons to perform at their potential over both the short and the long term. The Compensation Committee believes that equity-based incentives can benefit the Company by increasing the retention of executives while aligning their long-term interests with those of the Company's shareholders. Compensation determinations are primarily based on the performance of the Company and the individual executive officer during a particular year, and expectations and objectives for performance in the succeeding year. The Compensation Committee also believes that compensation packages for executives must be structured to take into account the nature and the growth of the Company's lines of business in appropriate circumstances.

The compensation packages for the executive officers have generally consisted of three components: base salaries, cash bonuses and equity incentives.

Cash Compensation. The Chairman of the Board annually reviews executive officer compensation and recommends to the Compensation Committee proposed salaries and bonuses for himself and for each of the other executive officers. Factors considered by the Chairman and the Compensation Committee are based upon the growth of the Company with regard to net income, total assets, premiums and shareholders' equity. All of these factors were considered in establishing salary levels for each of the executive officers, as were their individual duties and the growth and effectiveness of each in performing those duties. In establishing compensation levels for the executive officers for 2002, the Compensation Committee sought to structure compensation packages that were designed both to achieve the objective of the Compensation Committee's compensation philosophy and to be competitive with those offered by similarly situated companies. For 2002, the Chairman of the Board elected not to recommend an increase in his own salary, and the Compensation Committee did not implement an increase in his salary. The Compensation Committee did increase the base salary for the other named executive officers for 2002, having taken into consideration the factors identified above. Upon the Chairman of the Board's recommendation, the Compensation Committee awarded cash bonuses to each of the named executive officers, including to the Chief Executive Officer as described below. The bonuses are generally determined as a percentage of the executive officer's base salary for the succeeding fiscal year. The bonuses, which were actually paid in the first quarter of 2003, reflect an evaluation of the individual performance of the officers, as well as the performance of the Company as a whole during 2002.

Equity-Based Compensation. The Compensation Committee believes that equity-based compensation in the form of stock options or other stock awards serves to motivate executives to seek to improve the Company's short-term and long-term prospects and to align the interests of the Company's executives with those of the shareholders. During 2002, the Compensation Committee granted stock options at prevailing market prices on the date of grant and deferred shares, to John Sample in connection with his initial employment with the Company. The factors used in determining the size of the individual grant were the same as those considered with respect to cash bonuses. The grant vested with respect to one-half of the shares purchasable thereunder on the date of grant with the remainder vesting in equal increments on each of the first and second anniversaries of the date of grant. The vesting schedule is designed to encourage both short-term and long-term performance. The Committee elected not to grant any other stock options to Executive Officers in 2002.

Chief Executive Officer. Mr. Howell's compensation is generally evaluated on the same basis as the Company's other executive officers. The Committee approved an increase of 8% in Mr. Howell's base salary for 2002, and in 2003 awarded Mr. Howell a cash bonus of \$150,000 in recognition of his contributions during 2002.

2. RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

One of the purposes of the Meeting is to ratify the selection by the Board of Directors of Deloitte & Touche LLP, independent public accountants (“Deloitte”), to audit the books, records, and accounts of the Company and its subsidiaries for the year ending December 31, 2003.

Deloitte became the independent auditors for the Company on June 26, 2002, when the Audit Committee, pursuant to the authority granted by the Board of Directors, voted to engage Deloitte to serve as the Company’s independent auditors for the Company’s 2002 fiscal year. The Audit Committee’s decision to engage Deloitte followed the Audit Committee’s decision, pursuant to the authority granted by the Board of Directors, to end the engagement of Arthur Andersen LLP (“Andersen”) as the Company’s auditors.

Andersen’s reports on the Company’s consolidated financial statements for each of the fiscal years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the 2000 and 2001 fiscal years, and through the date Andersen’s engagement ended, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to Andersen’s satisfaction, would have caused Andersen to make reference to the subject matter in connection with its report with respect to the Company’s consolidated financial statements for those years.

A representative from Deloitte is expected to be present at the Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

During fiscal year 2002, the Company retained Deloitte to provide services in the following categories and amounts:

Audit Fees

The Company has paid or expects to pay Deloitte \$320,000, in the aggregate, for professional services it rendered for the audit of the Company’s consolidated financial statements for the fiscal year ended December 31, 2002 and the reviews of the interim financial statements included in our Quarterly Reports on Form 10-Q filed during the fiscal year ended December 31, 2002.

Tax Fees

The Company did not engage Deloitte to render any services during the fiscal year ended December 31, 2002.

All Other Fees

Deloitte did not provide any other category of services to the Company during the fiscal year ended December 31, 2002.

The Company’s Audit Committee has considered whether the provision of non-audit services by Deloitte is compatible with maintaining auditor independence.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company leases space for its principal offices, as well as the principal offices of certain of its subsidiaries, in an office building located at 4370 Peachtree Road, N.E., Atlanta, Georgia, from Delta Life Insurance Company, a corporation owned by Mr. Robinson and members of his immediate family, under leases which expire at various times from July 31, 2005 to May 31, 2012. Under the terms of the lease, the Company occupies approximately 65,489 square feet of office space as well as covered parking garage facilities at an annual rental of approximately \$611,000, plus a pro rata share of all real estate taxes, general maintenance, and service expenses and insurance costs with respect to the office building and other facilities. The terms of the lease are believed by management of the Company to be comparable to terms which could be obtained by the Company from unrelated parties for comparable rental property.

Effective December 31, 1995, an aggregate of \$13.4 million in principal amount of 8% and 9 1/2% demand notes issued by the Company were canceled in exchange for the issuance by the Company of an aggregate of 134,000 shares of a new series of preferred stock (the “Series B Preferred Stock”), which has a stated value of \$100 per share and accrues interest at 9% per year.

At December 31, 2002, the Company had accrued but unpaid dividends on the Series B Preferred Stock totaling \$8,442,000. All shares of Series B Preferred Stock are owned directly or indirectly by affiliates of Mr. Robinson, Mrs. Robinson or Mr. Howell.

Effective December 29, 2000, the Company issued an aggregate of 25,000 shares of a new series of preferred stock (the “Series C Preferred Stock”), which has a stated value of \$100 per share and accrues interest at 9% per year. During 2002, an aggregate of \$225,000 in dividends were paid to the holders of the Series C Preferred Stock. At December 31, 2002, the Company had no accrued or unpaid dividends on the Series C Preferred Stock. All shares of Series C Preferred Stock are owned directly or indirectly by affiliates of Mr. Robinson.
