Forward-Looking Statements

This document contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are all statements other than those of historical fact and are inherently subject to risks and uncertainties that could cause actual results to differ materially. These forward-looking statements include, without limitation, statements regarding the Company's expectations with respect to the results of operations to be set forth in the Form 10-K and the Form 10-Q. These statements are based on various assumptions, whether or not identified in this document, and on the current expectations of the Company's management and are not guarantees of actual performance. Factors that could cause actual results to differ materially from the results expressed or implied by such forward-looking statements include, among others, the results of the Company's financial reporting procedures and the possibility of adjustments in the Company's financial reporting process generally. There may be additional risks that the Company does not presently know or that the Company currently believes are immaterial that could also cause actual results to differ from those expressed in or implied by these forward-looking statements. In addition, forward-looking statements reflect the Company's expectations as of the date of this document. The Company undertakes no obligation to update or revise any forward-looking statements contained herein, except as may be required by law. Accordingly, undue reliance should not be placed upon these forward-looking statements.
